## A BRITISH SINGER IN THE UK COUNTRY ALBUM CHART

## “Luke” Guy Reed

The “No Hat” Album is released by Solent Records (SLTD 117) on 16th June  
UK/Ireland retail distribution by Nova/Pinnacle.

12 tracks - 10 great, original songs

“Luke is one of the hard working members of the British country music scene .  
His Waylon Jennings-esque style has won him a lot of fans but he is much more than  
someone who sounds similar to Old Hoss! He writes some incredibly good lyrics and this  
is his finest work to date”..
